SUBJ: Request for Information
TAV Holdings, Hapeville and Atlanta, Georgia

Dear Mr. Camozzi:

On October 6, 2021, the U.S. Environmental Protection Agency, along with the the Georgia Environmental Protection Division, conducted a RCRA compliance evaluation inspection (CEI) at TAV Holdings (TAV) located in Atlanta and Hapeville, Georgia to determine the facility's compliance status with the Resource Conservation and Recovery Act (RCRA) and Georgia Hazardous Waste Management Act (GHWMA), Ga. Code Ann. § 12-8-60 et seq. and applicable regulations.

Pursuant to Section 3007 of RCRA, 42 U.S.C. § 6927, TAV management is hereby directed to respond, fully and truthfully, within 14 calendar days of receipt of this letter, to the Information Request enclosed herein as Enclosure C (subject to the Instructions in Enclosure A, and the Definitions in Enclosure B). Compliance with this request for information is mandatory, and information provided by TAV may be used by the EPA in future enforcement actions. Failure to respond fully and truthfully to each and every question or information request within 14 calendar days of receipt of this letter, or to adequately justify such failure to respond, may result in further enforcement action against TAV by the EPA pursuant to Section 3008 of RCRA, 42 U.S.C. § 6928.

All information submitted to the EPA during and following the October 6, 2021 CEI, including in response to this Information Request, must be certified as true, accurate, and complete by an individual with sufficient knowledge and authority to make such representations on behalf of TAV Holding LLC. An affidavit making such representations is provided as Enclosure D. Your response to this request for information should be emailed to:

Araceli B. Chavez
Chief

chavez.araceli@epa.gov

The information requested herein must be provided notwithstanding its possible characterization as confidential information or trade secrets. TAV may, if desired, assert a business confidentiality claim covering part or all of the information requested, in the manner described in 40 C.F.R. § 2.203(b), by attaching to such information, at the time it is submitted, a suitable notice employing language such as trade secret or proprietary or company confidential. Information covered by such a claim will be disclosed by the EPA only to the extent and only by means of the procedures set forth in 40 C.F.R. Part 2, Subpart B. If TAV intends to claim the information as confidential, please contact the RCRA Document Control Officer, Brooke York, at york.brooke@epa.gov, prior to submittal, for confidential submittal procedures. If no such claim accompanies the information when it is received by the EPA, it may be made available to the Public by the EPA without further notice to TAV. The EPA will construe the failure to furnish a confidentiality claim with your response to this letter as a waiver of that claim. TAV should read the above-cited regulations carefully before asserting a business confidentiality claim, since certain categories of information are not properly the subject of such a claim.

This Information Request is not subject to the approval requirement of the Paper Reduction Act of 1980, 44 U.S.C. § 3501 et seq.

Should you have any questions on this matter, please contact Brooke York, of my staff, by phone at (404) 562-8025 or by email at york.brooke@epa.gov.

Sincerely,

Kimberly L. Bingham
